September 2022

Dear Parents and Guardians,

Saskatchewan Rivers Public School Division is using Edsby as a communication tool and learning management system. Edsby keeps everything safe and secure within the confines of our school division. If you would like to learn more about Edsby security, there is a lot of information here: <https://www.edsby.com/privacy-policy/>

Edsby makes it easy for parents to observe all of the wonderful things that are happening in our classroom. From time to time, we will post grades, notes, pictures, videos, or audio clips of your child learning at school. This will help you see the progress your child is making in their learning journey.

In the next few days your school will send you an email invitation from Edsby. It will contain the link you will need to create your new account or connect additional children to your existing account. This 2-minute video is very helpful: <https://tinyurl.com/mr26cv4b>

If you have any questions or concerns, please feel free to contact me.

Sincerely Yours,

Ms. Cheryl Arcand
